

imd440 student's name														
All work needs to be on the server and the student needs to be in class on the due date in-order to receive a grade. Work is not accepted via email. No = either the work was not on the server or the student was not in the class. Incorrect= does not meet requirements or is incomplete Students must attend all scheduled 11 <sup>th</sup> week classes in order to receive a grade. Any changes to this schedule will be announced in class. Key dates are given for sections of projects but students are required to show progress in every class														
week	project assign	no	Incorrect	ok	value	your grade	week		no	Incorrect	ok	value	your grade
